PRESTIGE

Varietal	100% Chenin Blanc
Vine age	30-35 years
Terroir	Gravel and clay soil with limestone bedrock
Viticulture-Viniculture	Cuvée is machine harvested and fermented in stainless steel and aged 12 months in Burgundy Barrels, at least 10% new oak.
Tasting Notes	Prestige has a vivid green apple flavor which is typical for Chenin Blanc but is especially pronounced in this cuvee. Ample notes of honey accompany a bright acid and long, round finish.
Pairing Notes	Prestige is hearty enough to stand up to lighter chicken and fowl dishes and pairs particularly with goat cheese.
Special Note	Moira Smullen and Chris Marshall are co-propriétaires of vineyards with Mr. Preveaux.
